## NV ROSCATO

**PRODUCTION** 300 Dozen x 750ml bottles

ROSCATO

**ALC/VOL** 8.5%

### WINEMAKING

Ripe grapes of 13 Baume are harvested from old Barossa vines. Extended cool fermentation over 20 days. Chilled to retain body through residual sweetness and low alcohol. A combination of 2-3 vintages add sophistication to this Non Vintage wine.

**COLOUR** The Non Vintage Roscato is vibrant pint/red in colour

**NOSE** Light lifted floral aromas and velvet bubbles. Sweet spice and subtle herbaceous tones are delightfully aromatic.

**PALATE** The lovely finesse of Barossa Muscat Frontignac is well known and with a balanced measure of acidity and grape sweetness it produces a lusciously satisfying wine. When served chilled it is a really good drink.

**FOOD** Low in alcohol at 8.5%, the Roscato is a wonderful drinking wine any time of the day and is perfect as a welcome drink or later with dessert.

**Rosco de Vive –**

Just like Rosco, our Roscato is stylish, red, rich and vibrant - expressively charismatic with a seductive youthfulness. Oozing with personality, our Roscato is made from select parcels of ripe old vine Barossa Muscat and Grenache.

Chill it down and enjoy it with brunch, lunch, dinner or a late night rendezvous.

Very food and mood friendly and perfect for those occasions when adventure calls...
